## SUMMARY

A Computer Science Engineering graduate with real-world experience gained through internships and academic projects. Passionate about building user-focused software solutions and eager to contribute to collaborative and fast-paced development teams. Recognized for adaptability, analytical thinking and a strong drive to continuously learn and apply new technologies in real-world scenarios.

## WORK EXPERIENCE

**Cod Soft – Web Development Intern**

(25/08/2024 – 25/09/2024)

- Developed a responsive landing page, portfolio, and calculator using HTML, CSS, and JavaScript, ensuring seamless performance across modern browsers and devices.
- Improved UI/UX and reduced page load time by 30% through front-end code optimization and performance best practices.
- Used Git for version control, maintaining a clean, modular codebase and ensuring smooth project updates.

## PROJECT

### E-COMMERCE: A SCALABLE ONLINE SHOPPING PLATFORM

To develop a full-stack e-commerce application using the MERN stack, ensuring a seamless and scalable user experience.

**Outcome:** Successfully deployed a responsive platform with user authentication, product management, and cart functionalities.

#### Roles and Responsibilities:

- Built dynamic frontend with React and RESTful backend with Node.js and Express.
- Managed database operations using MongoDB and implemented secure user sessions.
- Integrated secure user authentication with JWT (JSON Web Tokens) for protecting user sessions and sensitive data.

## EDUCATION

<b>Sree Venkateswara College of Engineering</b>	<b>2021-2025</b>
Bachelor of Technology in Computer Science and Engineering	80%
<b>Narayana Junior College</b>	<b>2019-2021</b>
Intermediate Education (MPC)	90%
<b>Krishnaveni Talent School</b>	<b>2018-2019</b>
Secondary School	9.5

## SKILLS

Programming	: Python, Java, HTML, CSS, JavaScript, Django, Spring Boot
Database	: SQL
Tools	: Vs code, GitHub, PostgreSQL, MS Word
Ai Tools	: Google Ai studio, Notebook LM, Grammarly
Soft Skills	: Communication, Problem Solving, Teamwork & Collaboration

## CERTIFICATIONS

Certified in Python Development by **CSES**  
Certified in Web Development by **Cod Soft**  
Certified in Communication & Teamwork by **EDX**  
Participated in Ai Tools & Workshop by **BE10X**
